New Fall Festival Co-chairs Heed the Call to Serve!

Our 2017 Fall Festival Chairpersons are Dave and Michelle Deis. Dave and Michelle moved to Hilton Head from Columbus, Ohio, purchasing their first home here in 2011 and moving to Moss Creek Plantation permanently in 2015. Michelle has a J.D. from Ohio State University. She was Head of the Copyright Management Office at Ohio State and had a copyright consulting business before retiring. She has also been an adjunct professor at Capital University Law School and Columbus State Community College. Dave has a Master's in Chemistry from Wright State University and worked at Abbott Laboratories for 31 years before retiring as the Director of Global Product Development. Since moving to Hilton Head, they have both served on planning committees in Moss Creek, and Michelle has served on the Women's Association of Hilton Head Island Council. Michelle and Dave are also very proud of their three adult children who are pursuing careers in cities throughout the U.S. Dave and Michelle look forward to working with all the St. Andrew volunteers to make the 2017 Fall Festival on November 4 a great success!

Acts of Two Churches Bible Study

The Bridge Builders group is sponsoring a joint bible study with First Zion Missionary Baptist Church off Wharf Street in Bluffton titled: "Acts of Two Churches." Our Rev. Daniel Burbage and Rev. Bennie L. Jenkins Jr. of First Zion will lead the studies based on the book of Acts. Members from both campuses are invited, and will meet at 6:00 p.m. on Wednesday evenings (May 3 at First Zion; May 10 at Persimmon Street; May 17 at First Zion, and May 24 at Persimmon Street). Reservations are not needed, except for the May 24 session where we will have a meal and communion service at Persimmon Street.

Congregation Approves Change to Capital Funds Plan

At a special Church Conference (duly authorized by the District Superintendent) on April 30, members of St. Andrew By-The-Sea Church overwhelmingly supported the recommendation of Church Council to alter a resolution adopted in October 2015 concerning the church's capital campaign fund allocation. 95% of the ballots cast were in favor of the change.

The approved change allows Church Council to direct \$165,000 toward future capital development needs at the Pope Avenue campus which were previously earmarked for the construction of a storage building adjacent to the Celebration Center. Following Hurricane Matthew last fall, several accommodations needed to be made to our administrative/education building ("B" Building) and we were able to create enough storage space during that re-configuration to eliminate the need for a separate storage building at this time. The changes to "B" Building were done using insurance proceeds from hurricane damages plus some funding from the Trustees budget, leaving the entire \$165,000 amount in the capital account available.

Church Council appreciates this demonstration of support and will bring back to the congregation a suggested use for those funds at a future time. In the meantime, Council was also given the approval at the Church Conference to appropriate funds from the \$165,000 for such things as architectural or engineering fees as a part of developing concepts at Pope Avenue for the congregation to consider.

Thanks to SABTS

To all our friends at St. Andrew By-The-Sea, "Thank you!" We are home safely and are finding the weather cooler and wetter than HHI. We could not have done it without you. The trips to take me to the grocery store and advice on physicians helped so much. You can't imagine how much your kindness and your prayers mean to us. Christ has many disciples at St. Andrew. We will keep in touch and look forward to being back in January 2018.

God Bless You All! Jack and Carolyn Strong

We would like to express our appreciation for the many expressions of concern we have received during Dean's illness. The lovely cards, phone calls and visits, the prayers, and the meals have all meant so much to us. Dean continues with his Physical Therapy and we are praying he will walk again. This disease is one which takes time and patience for the healing process, and we have a ways to go. Each offering of love and support from our church family members helps us to persevere. Thank you so much, and we look forward to the day we can return to worship with you.

With love, Dean and Carol Beckelhimer

PIPINGS

Let's travel back to the day of the SILENT MOVIE when the movie was accompanied by an organist. The Low Country Chapter of the American Guild of Organist's is presenting the silent movie *The General* with Buster Keaton made in 1926.

The movie was inspired by the *Great Locomotive Chase*, a true story of an event that occurred

during the American Civil War.

When: May 19

Where: First Presbyterian Church

Time: 6:30 p.m.

Organist: Chad Martin, the organist of First Presbyterian, playing on the church's brand new organ console. The event is free and will be an evening to be enjoyed by all.

Thanks to a grant from The Ruehling family, the Prayer Garden at the rear of the Admin/Education building, in memory of Frank Ruehling's wife Barbara and their son, has been revitalized since Hurricane Matthew. So that it remains lovely year round, new "turf" was installed and all new, more colorful foliage was planted. Thanks also to Joy McDonald who has assisted with freshening the hanging baskets along with Frank on a regular basis. Please come pray, have some coffee, read your Bible or just sit and enjoy the serenity of this special spot on our campus.
